

How much of GOD'S WORD can you learn? Take the Bible Memory Challenge and See...

- ☺ Learn one Bible Memory Challenge (BMC) item each month under your age level. You may work on it at home or in your free time. Some Bible classes work on this project during class time, but teachers are not required to include BMC work in their lessons.
- ☺ When you are ready to recite the assignment, go to the Memory Challenge Room (C218) during Sunday and Wednesday Bible classes, where Jack or Nora Stephens or a coordinator will be happy to listen.
- ☺ When you finish, MAKE SURE that the adult who listened to your assignment puts a mark by your name in the Memory Challenge Notebook, our official record of your completed work.
- ☺ Once you have completed just *ONE* monthly assignment, your emblem and picture will be placed on the bulletin board.
- ☺ If you are working ahead of your age level and need the next year's assignments, go to the Memory Challenge Room and ask for the level you need.
- ☺ We encourage you to become familiar with your own personal Bible and to read and study it often. This practice will be emphasized more as you progress to higher grades. Periodically, you will be asked to look up the particular passage to be recited and some assignments, in the upper grades, require your Bible to be present.
- ☺ In June, a special Awards Ceremony will honor those who complete *ALL* the assignments of any year.
- ☺ Those completing *EVERY* assignment in *EVERY* age level will become **Grand Champions**.
- ☺ If you happen to get behind on your Memory Challenge assignments, the work can be made up any time before the Awards Ceremony in June. Many children make up or complete previous years.
- ☺ If you have trouble learning the assignments, **ask for help** from your parents, Bible class teachers, or Jack or Nora Stephens. They will be happy to help you.

WE are *WILDLY EXCITED* about the *BIBLE MEMORY CHALLENGE!* *WE* want to have 100% participation. Will *YOU* take the Challenge and become a Champion?
