Another important objective is to develop an understanding and appreciation for various Mayfair ministries - the Biblical basis for the work, the heritage of the ministry and the opportunities provided by the ministry.

Optional opportunities for limited one afternoon involvement in various locally based ministries as well as opportunities for fun and frolic with sisters in Christ will close out this special weekend. Be sure to sign up for your choice of these additional small group fellowship activities on Saturday afternoon where, as the old song says, you may "make new friends and keep the old!"
