Titus 2:1

Faith becomes a "_____"

Numbers 12:7; Acts 27:21; Titus 3:1

James 2:17; James 2:14; James 3:13

Grow

"Faith, in the Biblical view, is an act of the whole personality. Will, knowledge, and emotion participate in it. It is an act of self-surrender, of obedience, of assent. Each of these elements must be present. Emotional surrender without assent and obedience would by-pass the personal center. It would be compulsion and not decision." —Tillich
