- 1 - Filter Cleaner
- 1 - Filter Hanger
- Instructions

THIS FILTER DOES NOT REMOVE VIRUSES, SALT, OR CHEMICALS

This Filter Removes:

Bacteria:
I.E.: Cholera, Botulism (Clostridium botulinum), Typhoid (Salmonella typhi), Amoebic Dysentery, E. Coli, Coliform Bacteria, Streptococcus, Salmonella

Protozoan (Cyst):
I.E.: Giardia, Cryptosporidium, Cyclospora

The Sawyer® Point One™ Filter feature a 0.1 Micron Absolute Hollow Fiber Membrane which uses medical technology developed from kidney dialysis. This filter exceeds all US EPA recommendations for drinking water. Simply follow the enclosed directions for use and attach to any plastic bucket or pail to yield clean water in remote locations. This biological filter does NOT require the use of chemicals. This Sawyer Point One™ Filter cleans 5 gallons of water in under 20 minutes! Cleaning is as easy as back washing the filter with clean water. This quick and simple process is not required often unless you are filtering very turbid water. NO REPLACEMENT FILTERS OR CARTRIDGES ARE NECESSARY.

YOUR \$50 DONATION WILL PROVIDE A RE-USEABLE WATER FILTER THAT WILL PROVIDE CLEAN WATER FOR 300 HAITIANS. YOUR IMMEDIATE RESPONSE COULD SAVE LIVES OF THOUSANDS. MAKE CHECKS PAYABLE TO MAYFAIR CHURCH OF CHRIST, MARKED "HAITI RELIEF"

To The Huntsville Community,

Over the past few days, we have been overwhelmed with the compassion of people like you who have called our offices inquiring how they can help with the incredible disaster in Haiti. Although each of us has seen photographs and video of the devastation, it is really difficult to imagine the numbers of lives that have been lost and the severity of injuries sustained. Healing Hands International is moving quickly to respond.

We have already wired money to areas of Haiti where food can be purchased and distributed to people who are in the worst areas of the earthquake, and we are in touch with brethren in Haiti who will assist us in distribution. Our first assessment team arrived in Haiti this past Saturday. They are taking additional funds and will be distributing water filters which will provide clean water for approximately 12,000 people. The filters are capable of filtering 300 gallons of water daily, removing bacteria related to Cholera, Botulism, Typhoid, and Amoebic Dysentery. More filters will be needed immediately. Without help, contaminated water will cause more deaths in the long term than the earthquake.

Our immediate plans are to approach this disaster in four phases:

Phase One: Through the help of several brethren around the world, we now have contacts within Haiti who will help with distribution of food, water, water filters, tents, and medical supplies. Our assessment team on the ground will be able to discover the greatest needs and how these needs can be filled once shipments begin.

Phase Two: We are collecting medicine and medical supplies to be shipped to areas of greatest need. Volunteer medical teams will be sent when possible.

Phase Three: Through past experience, we know that building materials will be scarce and prices will be high. Healing Hands will attempt to acquire selected building materials to be shipped at a later date. Clinics, schools, and orphanages will have first priority.

Phase Four: Micro business and sustainable food workshops will be conducted.

In a logistical nightmare like the earthquake in Haiti, it is important for each of us to recognize that the need for clean water, food, medical assistance, and other things that sustain life will not end in a month or even six months. Healing Hands International is committed to staying focused on the needs of Haitians for as long as we are needed. So please remember to pray for this small nation and its people in months to come. And please continue in your great compassion to assist us financially to help with this incredible disaster.

As God speaks through Isaiah, he brings life to our compassion: "If you spend yourselves in behalf of the hungry and satisfy the needs of the oppressed, then your light will rise in the darkness" (Isaiah 58:10). Let us rush to answer the call of those who are suffering now.

For the greatest cause,

Dr. Randy Steger, President
